GENERAL CONDITIONS

Complete General Conditions document may be viewed or downloaded at www.ParadiseToursAndTravel.com > Events > Radio Friends Sail-abration Cruise

The statement we will send you confirming your reservation is an agreement between Paradise Tours & Travel, LLC and the passenger. All prices, payments and penalties are quoted per passenger based on double occupancy (two full paying passengers per stateroom). For pricing information on a single, triple, quad or suites, please call us at (888) 495-7828.

FARE INCLUSIVE: Your cruise rate includes ocean transportation, port charges, taxes and fees, accommodations, service and meals including complimentary 24-hour room service, open activities and entertainment onboard the ship and exclusive VIP admission to all special events, concerts and activities that pertain to our group. The stateroom prices listed online are based on the initial allotment of inventory reserved. Any additional inventory will be reserved at the current market price and will be reflected in our online pricing.

NOT INCLUDED IN THE PRICE: Passport costs, if necessary; flights or other transportation to the departure city; hotel and/ or rental car expenses; items of a personal nature including, but not limited to: laundry services, internet service on board ship, shore excursions etc.

GRATUITIES AND CHARGES: All passengers are required and should pay gratuities to your room steward, waiter, assistant waiter, busboy and Maitre'd. You have the option to pay these on a cash basis or you may have the cruise line charge your onboard account \$11.50 per person per day and they will divide the gratuities appropriately. Carnival cruise lines reserves the right to implement a fuel surcharge of \$9 per person per day if the cost of oil exceeds \$70 per barrel.

MAKING YOUR RESERVATION: You have two options for making a reservation. You can make a Full Deposit or you can Hold A Reservation. A Full Deposit of \$295 per person is required to actually book your stateroom. When you make a

Full Deposit, we immediately book your cabin. With a Full Deposit your pricing is guaranteed and we can even book multiple staterooms close to each other (based on availability). However, this is only possible with a Full Deposit. Upon submitting your Full Deposit, you receive your cabin number(s) and individual booking number(s).

The second option allows you to Hold A Reservation. You may Hold A Reservation for \$150 per person. This does not book your stateroom or guarantee your cabin pricing, but it does reserve a place for you on the cruise. The balance of your Full Deposit (\$145) must be paid within 30 days after holding your reservation. At this time your stateroom and pricing is secured, we book your cabin and you receive your stateroom number and individual booking number.

PAYMENT REQUIREMENTS: Fifty percent of your balance (Cruise fare minus Full Deposit) is due by June 4, 2012 and the final balance is due by August 6, 2012. Bookings made after June 4, 2012 must be secured by 50% of the total cruise fare, with the final balance due by August 6, 2012. Bookings made after August 6, 2012 must be secured by full payment of the cruise fare. If you wish to make monthly or bi-monthly payments towards your cruise balance, you may do so, provided the payments correspond with the guidelines stated above.

CANCELLATIONS AND REFUNDS: All cancellation requests must be submitted in writing to Paradise Tours and Travel at 1440 State Hwy 248/ Suite Q-200/ Branson, MO 65616. In the event of cancellation, deposits and any payments made prior to the final payment date of August 6, 2012 are refundable. However, a \$195 administrative/ processing fee will be assessed. This is why we recommend Travel Protection Insurance. It will cover sickness and unforeseen circumstances. The fee is nominal and detailed information on exactly what is covered is available on our website or by request from our office. The advantage of purchasing the policy when you make your deposit is that pre-existing conditions are covered, unless your condition is diagnosed as terminal.
